About Me

Hello! I am Nidhi, a first-year Software Engineering student at MIT Academy of Engineering. I am passionate about coding and love building creative projects.

I am currently learning web development, Python programming, and exploring various technologies. This portfolio showcases my journey as a beginner developer.

I believe in continuous learning and enjoy taking on new challenges. My goal is to become a skilled software developer and create impactful solutions.

Education: B.Tech Software Engineering

College: MIT Academy of Engineering
